FROM BATESBURG TO WAGNER

Country Cuts -- A Pleasant Trip.

[BY THE CLD MAN.] Saturday was not a day that one would have selected for making a crosscountry pleasure trip from Batesburg who is now teaching the Webster to Wagner, and if it had not been one of business the writer would never Our young folks had quite a nice have undertaken the journey. But we are excusable for ever letting a the conduct of some of the young men, thought like the above enter our mind, as it had never been our fortune to have gone that way before. The people we met were jovial, happy and as Mrs Gibson, of near Batesburg, is bespitable as could be. From the starting point to the end of the trin Mr Bobert Hayse Ab'e is spending a "golden" staple laying out as a kind of "tantalizer" to the man who might Mr Ed Shull made a flying visit to own railroad or mining stocks. A relatives and friends in the Davis president of a bank at the present Bridge section last week. "Certain writing may well envy the man with

parties" missed him at the dance Fri- a few bales of cotton. After a cold drive of sixteen miles we stopped for dinner at Messrs Compton and Ocie rooms to his store. He expects to Lybrands, near Sardis church, and you to Bate-burg.

Misses Janet Etheredge and Pearl Graham, two fair young storens of Graham, two fair young storens of Graham and Sanday with Dr. and Mrs. J. Baster.

Rev. John R. Lake passed through home hissen ences. The gem of his speech was that armies should not be some and vigorous perconantly drove home. The passed through home his semences. The gem of his speech was that armies should not be speech was that armies should not be some and vigorous perconantly drove home. The passed through home his semences. The gem of his speech was that armies should not be speech was that armies should not be meal—and such a dinner it was. To tell the truth, we didn't know whether our newly made friends would make an assignment as a result of our dining or not, but we do know that we staid at that table quite a while and when we left it looked as if it had never been touched. After taking leave of these good people we went on towards our destination, nine miles distant, arriving there about 4 o'clock we found the town crowded and all the merchants were apparently doing a good business. Wagner, is a dispensary town and that institution was doing, to all appear-10 a.m., Devotions-M. D. Padgett, lance, a rushing business. Not an in-10.30 a, m.
